CONCEPT
OF SHARING

At Iberico World Tapas, our food embraces the tapas concept of sharing, designed for you to explore our dishes and sample a variety of plates.

Your party will receive all of the dishes listed on the menu provided for your lunch or evening booking. The selection of plates will arrive as they're ready - we recommend you enjoy the dishes as they arrive rather than waiting for the full selection of your tapas feast.

We'll send the appropriate no. of each dish listed for your party size, but don't worry, there will be plenty to go around!

Desserts are not included in the set menu price but can be ordered on the day of your booking when you've finished your tapas selection. Enjoy our selection of sweet dishes at a discounted price to our restaurant menu.

BOOKING
CONDITIONS

To secure your booking, we will need a £10 per cover deposit. Please be aware that if you were to cancel your booking or significantly decrease your party no. 24 hrs before your reservation, we will keep the £10 per cover lost from the deposit provided.

We've highlighted the common allergens in each of the dishes you will receive - please inform us at least 48 hrs before your reservation of any dietary requirements or allergens to allow us to make the necessary changes.

Please be aware we're an intimate restaurant. We ask that you are respectful of other diners and, therefore, no fancy dress or excessive table decorations are allowed.

An optional 10% service charge will be added to your bill.

We're not able to offer individual drinks tabs for party bookings.

Please do not hesitate to get in touch if you have any queries
- we look forward to seeing you!
